1. Call to order

2. Approval of Minutes from September

3. Academic Integrity Policy (7050)

   ***From April 2022 Meeting Minutes:***
   David Steward presented two fundamental concerns: Should a student be able to withdraw from a class when accused of academic misconduct? Should all cases create a reportable educational record?

   If an F is assigned, a student could be administratively removed from the course. This could be addressed in the policy. Otherwise, the goal is to prevent a student from taking a W and not being subjection to potential sanctions for violating the academic integrity policy.

   How is the educational record applied to international student? Not all entities do background or academic history checks, so this sanction only applies to those that do. Sanctions may include a F for the assignment or course, probation or suspension, or a learning opportunity about academic integrity.

4. Follow-up:
