CREDENTIAL EVALUATION FOR GRADUATE APPLICANTS

INDIAN GRADUATE APPLICANTS

Credential Evaluation Options

When applying to CU Denver programs, you have two options for credential evaluation.

Option 1: In-House Evaluation (available only for Denver programs)

- CU Denver's in-house credential evaluation is included in the \$75 application fee, with no need for a separate third-party evaluation.
- Our admissions team reviews international transcripts to determine U.S. equivalencies.
- This process helps applicants save time and money while ensuring a reliable credential assessment.

Option 2: External Evaluation Report (ECE or WES)

- Send all required documents directly to ECE or WES for a course-by-course evaluation.
- Detailed instructions will be provided after selecting this option.

Please note: If you are applying to a program at CU Anschutz, you must use an external evaluation service such as ECE or WES.
