## Tenured Faculty Professional Development Fund Summary: Academic Year 2025

Prepared by CFDA Director Dr. Karen Sobel

6 April 2025

### Brief Description of Fund

The Tenured Faculty Professional Development Fund came into existence in Academic Year 2024 after tenured faculty made requests to Provost Nakuma. The Office of the Provost provided money for this fund in Academic Year 2025. Tenured associate and “full” professors are eligible for this fund. Opportunities must support their research & creative activities. \$20,000 in funding was available in Academic Year 2025. Applicants were eligible for \$1000 in funding; matches were required.
