25. Waiver. Neither Party may waive or release any of its rights or interests in this Agreement except in writing. EXHIBIT A

Prior to matriculation into the CU Denver BAS-P program, students must complete the requirements for their AAS degree according to the rules set forth by their designated CCCS institution. To complete an AAS degree, students must complete 60-75 credit hours of coursework, which includes a minimum 15-credit hour General Education requirement satisfied by a combination of designated GT-Pathways eligible courses. The remaining 45-60 credit hours come from a combination of GT-Pathways courses and specialized, non-GT Pathways courses within their AAS degree program. Upon transfer to the BAS-P program, CU Denver agrees to accept all AAS credits where a student earned a grade of C- or better. Any GT Pathways course taken for the AAS degree can satisfy comparable CU Denver CORE and CLAS graduation requirements, and the remaining credits will be applied appropriately as elective credits. * A student matriculating into the BAS-P will have academic standing at the minimum level of "Junior" depending on the final number of transfer credits accepted. To earn a BAS-P degree, students must complete a minimum of 120 credits, a minimum of 60 of which must be completed at CU Denver and include the following:

- 1) BAS major requirements consisting of two 12 credit-hour applied/skills-based certificates and two 3 credit-hour knowledge area courses (30 credits in total),
- 2) A minimum of 45 upper division hours earned at CU Denver
- 3) All CU Denver university core requirements, and
- 4) All CLAS graduation requirements (*except* the foreign language requirement).

*CU Denver will accept the completed AAS for transfer but will not award the credits to the student until all BAS-P and CU Denver requirements for graduation are met.
