

TRANSFER ARTICULATION AGREEMENT

between **Front Range Community College, AAS Recording Arts and Technology** and **University of Colorado, Denver Bachelor of Science (Recording Arts, Non-Audition Emphasis)**
hereafter referred to as **Partner Institutions**

Introduction to Specify Programs and Institutions

This Agreement guarantees the transfer of students within *AAS Recording Arts and Technology, Front Range Community College* and *Bachelor of Science Recording Arts, Non-Audition Emphasis, University of Colorado, Denver* subject to completion of all parts of this agreement. Sending Institution students who have declared the AAS Recording Arts and Technology, Front Range Community College and are ready or preparing to graduate are covered by this Agreement.

Statement of Intent

The intent of this Agreement is to facilitate the successful transfer of a student from a Sending Institution upon earning a credential to a Receiving Institution to earn a baccalaureate degree within a 2+2 timeframe. The Sending Institution will identify students who are part of this Agreement in their student information system.

Statement of the Basic Agreement

Receiving Institution agrees to accept credits for students who have completed a(n) AAS Recording Arts and Technology degree as outlined in attached Degree Map. These documents are hereby incorporated and made a part of this Agreement. This Agreement does not apply to students transferring with a different degree or choosing a different major or program at the Receiving Institution. Completing the program in 4 years per this agreement is dependent on the student following the prescribed degree map. Any variance may result in additional time to degree at the Receiving Institution.

Changes in Curriculum or Program Requirements

a. This Agreement constitutes the entire Agreement between the parties. This Agreement shall be reviewed every five years by the parties unless significant curriculum and/or program changes mandate an earlier review—in which case, the institution will notify the other party to this Agreement in writing that changes impacting (or potentially impacting) this Agreement have occurred. If deemed appropriate, a new agreement will be generated and signed. Significant curriculum changes must be communicated in writing no later than March 30 of any academic year to the Director of Transfer Initiatives.

b. Each Partner Institution assumes responsibility for informing their students of curricular revisions that would impact student planning and/or degree completion. In the event graduation requirements for the bachelor's degree at Receiving Institution change within this time, students who have declared this program at the Sending Institution will have their academic plan honored for 4 years beyond the date of the change.

Admission and Matriculation

a. Students who have completed this approved associate degree from the Front Range Community College with at least a 2.0 GPA (C average) will be automatically accepted in the same pathway at Receiving Institution. Students who are automatically accepted to Receiving Institution will have the application fee waived. Students who complete the program at the Sending Institution will be admitted to the Receiving Institution. However, prior to admission to some programs, additional requirements, such as a background check, may be required.

b. This Agreement reflects the academic graduation requirements for degree pathway. Students may be responsible for completing non-course work requirements in effect at the Partner Institution at the time of their matriculation.

Agreement Details

a. Successful completion of the courses contained within the attached Degree Map will fulfill the relevant course requirements in the designated major and general education courses. Any additional courses taken in the discipline not covered by this Agreement taken at the Sending Institution may not count toward the requirements of the major at the Receiving Institution.

b. Only courses with grades of C or higher are guaranteed to transfer. All transfer general education courses must be Colorado Department of Higher Education Guaranteed Transfer (gt) Pathways approved. Should curricular changes to this Agreement occur, students identified as part of this Agreement will not be penalized nor incur credit loss.

c. To transfer under this Agreement to Receiving Institution, students must have graduated from the Sending Institution.

d. The Receiving Institution shall accept all applicable credits earned within ten (10) years of transfer to the Receiving Institution. Credits earned more than ten years earlier will be evaluated on a course-by-course basis.

General Provisions

a. In carrying out the responsibilities and obligations of this Agreement, no party shall be acting as the agent or principal of another institution with regard to dealings with third parties, including students.
